

Erith & District Swimming Club

Presentation Disco

1. Club Presidents – selected by the Management Committee

Vice President:	Marnie Parker
President:	Sue Wilding

2. Club Captain Trophies – selected by the Management Committee

Vice captains:	Madison Retour	Nathan Butterworth
Club captains:	Ruby Verge	James Vick

All four of these swimmers have showed tremendous commitment to EDSC over the years by always competing when asked, having excellent training records, and being polite and respectful around poolside. In addition, it is great to see them on poolside helping teach the future generations of the club. They are excellent role models and that is why they are Club Captains, well done!

3. Distance Championship Trophies

Based on age group points earned from the 8 Distance events (girl & boy) (max=88)

Ruby Verge (87 points)	James Sproston (86 points)
------------------------	----------------------------

Both Ruby and James won 7 out of the 8 distance events in their respective age groups.

4. League Trophies

Selected by the coaches

Junior	James Hori: Impressed us with a great attitude to competing. He approached his individual 50 fly (the hardest of strokes) with positivity and technically swam it very well. James was a real asset to the team and threw himself whole heartedly into supporting his team mates when he wasn't swimming himself.
Tudor	Ellis Chatten: Swam every round and had the most consistent Top 3 finishes of everyone. Between Rounds 1 and 5 she dropped just over 2 secs on her 50m back and just missed out on the Kents this year due to injury.
Arena	Lara Seager: Her gutsy performances swimming the 100m butterfly in 2 rounds clinched this decision for us. Despite not particularly liking fly, she swam without complaint and did herself, and EDSC, proud - proving herself to be a real team-player and gaining PB's each time. Dare I say it, she likes fly a little more!
White Horse	Charlotte Clark: Competed in all four round of the league and gained the most individual wins. Four individually along with three as part of relays. Never one to let the team down despite other sporting commitments.

KENT JUNIOR LEAGUE SWIMMER'S MEDALS – presented by the Club Captains

Kent Junior League is a league where the max. age is 13. In 2016 we fielded TWO teams in the League which is a massive undertaking for any club. We rose to challenge and fielded around 65 swimmers over the three rounds which is no mean feat. The Red team finished 6th and the White team 16th which was fantastic achievement. Swimmers, you should all feel very proud of yourselves.

10. Special Achievement Awards

Jack Petchey Certificates <i>Voted by the Swimmers</i>	Ben Wilding, Lica Santos-Moya, John Enright, Anisha Clare, James Sproston, Jeffrey Akintolu
Progress Cup <i>Based on biggest aggregate improvement in the 5 Age Group events compared with previous year (girl & boy)</i>	Olivia Harry (57.74 seconds) Rory Ghatauray (1 min, 7.54 seconds)
Endeavour Cup <i>For consistent effort across the year, selected by the coaches.</i>	He has trooped through – and played a big part in - the club for many years and, finally, at the age of 17, we saw him break through with his first ever sub- 60 100m Freestyle right at the end of last year. Proof that you should never give up and always keep trying which is why William Wilding wins the Endeavour Cup this year
Personality of the Year <i>Putting the life and soul in to training and competition whilst still setting the right example, selected by the coaches.</i>	This person is always happy, never complains and tells the most awful jokes at training – at almost every session. He's friendly and outgoing and never refuses to step in and cover in competition – on one memorable occasion he was simply at a gala to spectate and I had to call him in to cover a no-show. He swam admirably that night in borrowed trunks, hat and goggles. At the final round of Kent Junior League he led his friends in an extremely loud bout of chanting which really helped to get things going. Generally, wherever there's mayhem

	and mischief you'll find Ashton Seager but in the nicest possible way
Swimmer of the Year <i>The most successful swimmer of the year in terms of achievement, training standard & additional contributions to the club, selected by the coaches (girl & boy)</i>	<p>This person encompasses all that makes a rounded swimmer. She takes her swimming seriously by training regularly and training well, she attends every gala and open meet she's invited to compete in and can often be seen at the end of the lane cheering EDSC swimmers on. As well as all that, she also takes an active part in the social side which, in many ways, is just as important as the swimming. It seems that everything she does is approached with positivity and great gusto; at the beach fun day in July she could be found giving the parents what-for in the rounders match and she didn't shy away from having a whizz round the ice rink when we were skating at Christmas. She's only the 2nd female in club history to go under 29 secs for 50 free and is now gunning for a sub-60 on the 100. We have no doubt that she'll do it this year.... And probably with a huge smile on her face as always! Your 'Female Swimmer of the Year' is.... Madi Retour</p>
	<p>Over the years, this swimmer has shown real dedication to the club and his love for the sport. He has made the journey from representing the club in the Octopus League (which was many years ago!) to regionals and everything else in between. For the last 6 months, he has been threatening to move up seniors (as he's becoming an old man!) but the lure of breaking club records and his commitment to the club has kept him in top squad thus far. After the summer, he was 'definitely moving up', so he told us, but he decided to stay on to train and compete in the White Horse and National Arena leagues whilst trying to get the elusive 50 and 100 backstroke records. At Christmas, he said he was 'definitely moving' up in January, then said he'd stay to swim in the Dual Meet in January and Kent's this February.....What do we have to do to get rid of him? All joking aside, we'd love him to keep swimming with Top Squad as he's a great role model for our younger swimmers and a really nice person to boot but we know he can't keep going forever. He still helps out on poolside when he can and is known to most swimmers in the club and we can't think of a more deserving person to win 'Male Swimmer of the Year' award this year..... Sam Delatouche</p>
