Information: For further information please contact johngking119@live.com

All swimmers: Must be members of a club affiliated to the ASA. All swimmers must be registered with the ASA.

Data Protection: Entries may be held on a computer solely for the purposes of this competition and consent, as required by the Data Protection Act 1984, to the holding of personal information on computer will be deemed to have been given by the submission of the entry. Personal Data will be available for inspection during the Meet on application to the Promoters.

Starts: It is the responsibility of the competitors, coaches and clubs, to ensure that all swimmers are competent to the standard of the ASA competitive start award, to perform a shallow racing dive into the water. In the event of a false start, swimmers should perform a safe entry with a shallow racing dive and not fall into the water. Swimmers are reminded that they are permitted to start in the water for all events, but must advise the referee of this prior to the start of their heat.

Warm up: During the warm-up, swimmers and coaches must ensure that they (and swimmers in their charge) take no action that would endanger themselves or others. The instructions of Pool Lifeguards or others in authority must be obeyed immediately.

Safety: Everyone attending the event must familiarise themselves with the location of the Emergency Exits, which must be kept clear at all times. Due to limited space poolside everyone is asked to observe all normal precautions in the pool area and when moving around the sports centre, to ensure their own safety and that of others.

Stewards will be patrolling the sports centre and anyone found causing damage or seriously misbehaving, will be banned from the meet and refused entry to the building.

Security: Competitors are advised not to leave their belongings unattended and to ensure valuables are placed in a locked locker or deposited with someone for safekeeping. Neither Beachfield Swimming Squad nor the Pool Management will be held responsible for property that is lost.

Litter: Competitors and spectators are asked to place all litter in the receptacles provided and not to leave it on the floor, particularly in the spectator gallery, where it may become a safety hazard.
