Club Championships 2017

(under ASA Laws and ASA Technical Rules of Swimming, licensed level 4)

The EDSC Club Championships are an excellent opportunity for swimmers to compete and reward themselves for all of their hard work throughout the year. As a member of a competitive swimming club it goes without saying that we expect **all** swimmers to enter **all** events that are open to them in these Championships.

We will be running 3 competitions throughout the Championships and all events are to be swum as Heat Declared Winner. Note that ages are based on age as at 31st December 2017.

Age Group Championships.

Distances and strokes depend on age and squad. Medals presented 1st – 3rd in the age groups listed below, on the day of swim. There are no Entry Forms for the Club Championships. Swimmers will be entered into the events that are open to them by Age (see above) and by Squad (as per the Squad Criteria).

Swimmers entries will be e-mailed out and published on the Club website (www.edsc.org.uk) in advance of the start of the first session. After they have been published, I encourage everyone to check their entries. If there are any errors then please advise either John Burdett (john@edsc.org.uk) or myself (swimmingmanager@edsc.org.uk) as soon as you can so that any mistakes can be rectified in advance of the start of the Championships.

Warm up and swimmer registration times are on the event schedule on the following page. Please make a note of what events you are due to compete in and at which session they are. Warm up will start at the designated time and swimmers will be required to sign in for events that they have entered by the close of registration. Swimmers who turn up after registration closes will be refused the opportunity to take part.

Finally may I take this opportunity to remind you that all the Club Championship costs are covered as part of your memberships of E.D.S.C. There will be a small charge for spectators at the main sessions at Crook Log. All events are licensed and times gained can be used for entry into the County Championships. With everyone's support, our Club Championships should be the highlight of our swimming year.

If you have any questions please speak to anyone on poolside or myself at any time. I hope you all swim well in the Championships and that we see lots of personal best times. Good luck to you all!!
