

Selection policy

Performance Target

The target of this meet is to provide international competitive opportunity to members of the club whilst maximising the medal outcomes.

Team Size

A maximum of 40 swimmers will be selected from the competitive swimming squads to represent EDSC at the Eindhoven Invitational Swimming Meet 2018.

Eligibility

Must be a member of E.D.S.C

Swimmers born 2007 and earlier are eligible for selection.

Selection Process

- 1.1 Swimmers with **four** Kent County Championships 2018 Consideration Times will automatically be selected.
 - 1.1.1 Qualification will be taken from TeamStats rankings from 1st January 2017 – 7th January 2018.
 - 1.1.2 Qualification based on age as at 31st December 2018.
- 1.2 Swimmers who do not achieve four Consideration Times will then be systemically invited in descending order based on number of qualification times until the team is filled.
(i.e. swimmers with four qualifying times will be invited, followed by those with three etc.).
- 1.3 In the event of there being an over subscription of swimmers with an equal number of qualifying times but not enough spaces left on the team, training attendance percentages from 1st September 2017 – 21st December 2017 will be taken into account and provide the deciding factor. Those with the highest attendance percentages will be invited in the first instance until the team is filled.
(i.e. if there are ten places left on the team after following points 1.1 and 1.2 up until those with nine qualifying times, and there are fifteen swimmers eligible for selection with eight qualifying times, 1.3 will be imposed).
- 1.4 If the team is not filled by using 1.1, 1.2 and 1.3 processes, swimmers will then be systematically invited on how close they are to a Consideration Time.

Withdrawals

Swimmers will be expected to maintain adherence to their squad criteria until the start of the competition. Failure to do so may result in team de-selection.

Replacements

If any swimmer has to withdraw/has been withdrawn, Selection Process 1.3 may continue if viable.
