Editor's Comments

This is just a few words to try and encourage you to take the time to read the Club's Newsletter. I'm not just saying this because I'm the editor, but it's recently come to my attention that a few Members appeared unsure about changes in the way the Club operates, despite the fact that notification of these changes were made in previous editions of the Newsletter. The Management Committee chooses to use the Newsletter as a way of informing all Members of changes in rules, etc. as each family receives a copy, whether it be handed to them at the pool or sent in the post. It is therefore recommended that you read the Newsletters in order to keep up to date with how the Club is run.

Of course on top of this, the Newsletter is also the best way of seeing how the Club is performing both at external galas and competitions as well as the internal championships. You'll also find the latest news from the various parts of the Club including the Masters, Synchro and Social Sections.

The Newsletter is often the first time you will get to hear about other planned events, for example it was announced in December 2003's issue that we were planning on taking a team to Germany in May 2004. Events organised by the Social Section are of particular importance as it is these events that help to raise the necessary money to pay for coaches and discos, and for this year, a contribution will be made towards the cost of the trip to Germany.

Of course the Newsletter is not the only way to communicate this information. It is also recommended that you observe the information placed on the Club's Noticeboard at Riverside. Another, relatively new method of communicating information to Members is via the website (www.edsc.org.uk). Here you will find full results of galas, social events and small, but important pieces of news. The site is constantly kept up to date with the help of Andy Watkins.

In terms of communication outside of the Club, in addition to the website, you will often see reports of swimming galas in the local press, such as the Bexleyheath and Welling News Shopper and the Bexleyheath and Welling, and Erith and Crayford editions of the Kentish Times. Watch out for future articles about our trip to Germany in these newspapers.

A good performance again from both Erith teams, with Erith White in 1st place and Erith Red not far behind in 2nd. Erith Red's individual winners included: **Gary Lansdale, Tia Anderson, Sophie Evans, Richard Goodey, Paul Nicholls, Mark Nicholls and Darren Fuller**. Erith White's winners were: **Elizabeth Kennedy (2), Alice McCalla, Daniella Murray, Luke Morris, Helen Clifton, Emma Goodey, Matt Kirkup, Gemma Anderson and Dan Richards**. Well done also to: **Casey Porritt, Kerry-Anne Sweeney, Caitlan Colman, Tommy Cowell, Luke Forrest & Adam Forrest** who all competed in their first Tudor League gala.

Bromley quite surprisingly pinched the gala from Erith White in this, the fourth round, following their fifth position in the previous gala. Erith White's winners were: **Elizabeth Kennedy, Ashley Murray, Michael Redpath, Callum Kent, Emma Eady, Danielle Poore, Emma Goodey and Dan Richards**.

4	Orpington	159
5	Gravesend	153
6	Erith Red	149

Unfortunately Erith Red's poorest result ever at a Tudor Gala. Erith Red lost more points than all other teams when taking into account all of the time faults and disqualifications. We were unfortunately also lacking a number of 10/U boys. Well done to Erith Red's three individual winners: **Emma Hoyne-Butler, Rebecca Gravell and Darren Fuller**.

Kent County Championships February to March 2004

We completed our most successful year ever in the Kent County Championships. The total medal haul included **5 golds, 5 silvers and 7 bronzes**. Top performer was **James Stear**, who won gold in the 200m, 100m and 50m breaststroke, and also set a new club record for the 100m. **Michael Cook** won 2 gold medals. He took more than 15 seconds off of his personal best time, and also beat the previous event best performance by more than 5 seconds. **Michael** also won the 50m backstroke event. Silvers were won by **Joe Thorogood** (200m breaststroke), **Michael Cook** (50m breaststroke and butterfly), **Tim Colman** (50m backstroke), and **Laura Porritt** in the 100m butterfly, who also took 3 seconds off of her personal best time and obtained two club records in the process. Bronze medalists included **Emma Copen** (100m medley and 50m butterfly), **Laura Porritt** (200m butterfly), **Michael Cook** (50m freestyle, 200m butterfly and 200m freestyle), and **Joe Thorogood** (100m breaststroke). Our other finalists were **Alice McCalla, James Willey, Michael Redpath, Shane Hume and Tiffany Brown**.

In the Kent Relay Championships, almost every age group made the final, with 5 teams making both the freestyle and medley finals. These included: the boys 9-12 years (**Jake Reeves, Richard Jones, Michael Cook, Tim Colman**); boys 13/14 years (**James Stear, James Willey, Joe Thorogood, Matt Kirkup**); boys 15/16 years (**Michael Redpath, Peter Sullivan, Gary Lansdale, Joe Hodges**); ladies open (**Tiffany Brown, Louise Hoyne-Butler, Laura Porritt, Shelley Carver, Sophie Evans, Helen Clifton**); and the mens open (**Phil Brown, Shane Hume, Mark Russell, David Kane**). Well done to all who took part this year!

John Burdett would like to thank **Sue Carver** for arranging the entries, plus **Mark Russell** and **Paul Nicholls** for helping out on pool side.

Masters Section

Southern Counties Masters, Crystal Palace

31st January and 1st February 2004

A total of eight masters and two juniors (under 25) attended this meet over the two days although the major attendance was on the Sunday.

A total of three gold, seven silver and six bronze individual medals were won along with a bronze for the 100 plus relay team. The greatest number of lengths/events goes to **Tony Ball** who won all three colours of medals as did **Shane Hume**. The juniors, **Gemma Anderson** and **Helen Clifton**, both added to the haul.

Those who attended were, apart from those already mentioned, **Jenny Vick**, **Emily Chadwick**, **Stuart Redpath**, **Luch Cowell**, **Dennis Vick** and **Richard Cornell** who has only swum 33 metre lengths before and luckily for me got tired in our heat of the 50m freestyle. A good effort by all holding the Erith and District flag high!

Bracknell Masters – 6th March 2004

Ten members of the masters attended this meet, only entering the first session, the second was continued at Richard Cornell's birthday party.

The 100m medley saw a medal haul of two golds, two bronzes and a fifth and sixth. The 50m back saw **Freda Ross** and **Tony Ball** taking golds. In the 100m freestyle there was one gold, two silvers, a bronze and a fourth and ninth. The last heat saw **Shane Hume** and **David Kane** up against each other with only 100ths of a second between them – they actually finished second and third to an under 25!

In the 50m breaststroke gold medals were won by **Luch Cowell**, **David Kane** & **Sam Hayes**. The fly saw **Freda Ross** & **Mark Russell** taking gold with **Jenny Vick** taking a silver and **Tony Ball** wimping out to save his energy for the relays. We entered three relays, winning them all and allowing **Emily Chadwick** and myself to win gold medals on the shirt tails of the others! Thanks must go to **David Kane** for organising us and to **Tony Ball** for getting us there and back, even though he missed a swim!

Social Section News

There has been a lot of activity since our last report, with 2 Disco's in December, A Quiz Night in January, The Easter Raffle and soon.....

The 'Annual Gala Raffle Draw'

All of these events and others planned for later in the year help to raise money for the club. The money raised is mostly used to hire coaches for the Gala events that take place at other Swimming Pools. This allows the Swimmers to travel as a group, build up a real '**Team Spirit**' and most importantly - arrive at the pool together.

This year the committee has agreed to substantially help with the costs of the Swimming trip to **Germany in May**.

Each year the Social Section arranges a '**Raffle Draw**' that coincides with the Annual Gala... Each family will be given a book of 10 tickets to try and sell to their own Family, Friends or Work Colleagues. A letter will be provided with the tickets to help explain the procedure.

It would be great if you can **sell all the tickets!!**

The Social Committee meets every 2 Months to discuss all sorts of issues and it is always a good meeting. Future events being planned are:

- 70s Evening - including a Talent Show
- 'Race Night'
- Sponsored - 24 Hour Swim (2005)
- Annual Disco's

If you feel that you would like to help us with these events or suggest some others, please come along to the next meeting... Just look at the Notice Board for the date...

33rd 'Internationales Schwimmfest', Germany

Organisation for this trip continues, and by the time you read these words hopefully you would have received your letter detailing the options for payment. Those paying in two instalments need to pay the first by **Friday 30th April**, with the total amount being paid by **Friday 21st May**. Cheques need to be made payable to Erith and District Swimming Club.

Appropriate races have now been chosen for the swimmers – there's a programme available to view on the Noticeboard. Rooms have also been sorted out, and unfortunately there shall be no changing of rooms – the organising committee have the final say I'm afraid – all will be revealed at a meeting for all swimmers and parents involved – watch out on the noticeboard for details about this meeting, which is likely to be mid-May. In the next few weeks we shall issue an information pack detailing exactly what you need to take with you and a rough itinerary. At this stage, we're looking to leave at around 5am on Friday morning and will arrive at our destination at around 4pm. Events will take place all day Saturday and Sunday, with the warm-up commencing at 7am on both mornings!

As another reminder, please ensure you have a valid passport to the cover the entire trip, and also please return your completed E1-11 forms with your payment (these will be given out with the letter regarding payment). For a look at the final team selected, please turn to page 9.

London to Brighton Bike Ride – Sunday 20th June 2004

Our first team entry in around 4 years, and I have to say how pleased I am to confirm that 43 of us will be taking part in the challenge on Father's Day. Exact details have yet to be confirmed, but we have a double decker coach available to take down supporters (to leave Erith at around 8am) and return (hopefully with all riders on board) at around 6pm. With 43 riders expected on the return coach journey, that means we've got 32 spaces available for supporters. A notice will be placed on the board in the very near future so that you can reserve your place on the coach – a return journey will cost you only £10, and we already have a received parking spot close to the beach, meaning this is the best way to get down to Brighton and enjoy what is a fantastic day out.

OBITUARY

It is with regret that I have to announce the death of one of our Life Members. Evelyn Anderson has recently died at the age of 97. She first joined the swimming club circa 1920 and remained an active member until when she moved to Suffolk in 1960. She was a founder member of the Erith Otters Ladies Floating Display Team (and we thought Synchro was new to EDSC!) who gave displays at local aquatic events such as the Erith Regatta. Also a keen member of the Ladies Water Polo Team.

She was the main instigator of reforming the club together with my father, John McArdell after the second world war and it was her donation of £5 which gave the club sufficient funds to re-start. She taught hundreds of youngsters to swim over the years (myself included) and was instrumental in including Survival Awards in the club's activities. She was also heavily involved in Lifesaving. Her favourite stroke was breaststroke and when she retired to Suffolk she donated a cup (The Suffolk Cup) to the club especially for Breaststroke Style. This event is still held each year and Mrs A (as she was known) stated that the competition would be open to swimmers 14 years and over.

She was still swimming one mile per day at the age of 86 and was heavily involved in club life both in Oulton Broad and Stourport on Severn. She swam Masters Events in her 70s and 80s.
