DQ1 – Incorrect legs

What a great afternoon! Fantastic swims from all involved, with almost half of the times being personal bests, plus a further 7 new times. Thank you to those that put the effort into coming along for less races than we originally entered them for. Despite the entries issue this year caused by an over-subscription of swimmers it remains a fantastic event for our 10, 11 and 12 year olds to compete in and the times reflect that view. Our congratulations must go to the two swimmers that achieved PB's in all 4 events, namely, Sam Delatouche and in particular Joseph Neighbour who took off between 2.3 and 2.9 seconds in his events.

Just a few pointers from what we observed on poolside – whilst our strokes on the whole looked good, we still have a comparatively large amount of work to do in relation to our underwater phase. There is also no need to come straight up for a breath on fly or FC after diving in or after a turn. Swimmers should also try to get into a decent breathing pattern, which certainly shouldn't mean breathing every stroke on a 50m FC swim as one or two of our swimmers did. Backstroke swimmers must ensure they practice turning and finishing using the flags that are always out for our benefit at Erith.

Paul and Julie
