

Kent Masters Championships 2010

On Saturday 3rd July a team of twenty EDSC Masters swimmers took part in this years Kent County ASA Masters' Championships at Black Lion in Gillingham. We had some excellent swims and collected 24 individual medals and 5 relay medals. Two particularly good swims came from Tim Wilkes in the 50 and 100 breaststroke setting new championship records in both, taking a whopping 7 seconds off the previous record in the 100 Br, a record which had stood since 1997.

We have an excellent record at this event and have been Champion Club 7 times since 1997, most recently winning in 2008.

EDSC Masters

Kent Masters Champions in 1997. 98. 99. 01. 02.

Erith swimmers now hold 27 Kent Masters Championship records across the various age groups. Unfortunately, Lisa Corder's record in the 100 fly was broken this year. However, it was only beaten by 0.7 seconds so come on Lisa, get it back in 2011.

This years championship was won by RTW Monson with Erith coming a respectable 4th. With one of the largest Masters sections in the southeast we want to put in a really strong team next year to win back the trophy. Although you may not win your race you can still pick up valuable points in your age group. Points are awarded to the first 6 swimmers in each event and age group and even I picked up 2 points for my 100 freestyle this year (and no, that wasn't because there were only 5 of us in the event!!). The provisional date for next years meet is Saturday 9th July so please pencil that in to your diaries.

This years team comprised:

Women

Jayne Deal, Jenny Vick, Luch Wilkes, Julie Craggs, Lucy Craggs, Karen Ellis,
Lynn Maunders, Lisa Corder, Steph Vintner and Su Wilding.

Men

Andy Hussey, Davis Whyte, Dennis Vick, Ian Craggs, Paul Graimes, Richard Cornell, Richard Wildthing, Rob Facer, Stuart Redparth and Tim Wilkes.

A full list of events and times are available on the KCASA website at <http://www.kcasa.org.uk/Masters/MastersIndex.htm>
