Well done to every single swimmer I am so proud of you all. My first season as Team Manager and we won – brilliant!

The atmosphere on Sunday was fantastic, with everybody shouting and cheering when we swam and importantly staying on poolside for the results, cheering the other teams and screaming the place down when we won the gala and the league. The gala result was very close and so was the League, for a while Gravesend and Northfleet were beating us and then in the last quarter we pulled away and won the League convincingly. I am so pleased that I don't suffer with high blood pressure!

An important Thank You to everyone who helped on poolside for our host gala and very importantly all the officials, without whom a gala could not take place. Thank You Thank You.
