FANTASTIC SWIMMING, FANTASTIC SWIMMING FANTASTIC SWIMMING

Two DQ's not so fantastic , but this time from our 10 & Us – who are still learning and can only get it right next time. I was concerned that I had got a few time faults but when you look at the other teams, we are still one of the best clubs at picking the right team. All I can say to the swimmers is that I want you to swim as fast as you can and never ever worry about time faults. If you get a TF, I will be the first to say well done – what an excellent swim. The TFs are for me to worry about not YOU!

I was so proud of everyone – lots of great swims.

We are not in the April gala but our next gala is CUP FINAL day. If you can definitely not swim please let me know asap. If it is a case of parents are out but you need lifts then that can be arranged. We really need to swim our best team as at the moment we are second overall in the league.
