EDSC subsidised fees policy for volunteers, teachers and coaches.

Erith & District Swimming Club (the Club) is a volunteer led organisation which strives to achieve excellence in its activities. Its professional teaching and coaching team are led by a wonderful team of volunteer staff and without them we simply would not be able to do what we do.

The work undertaken by everyone contributes enormously to the success and financial wellbeing of the Club. The Club wishes to recognise these contributions in the following way:

Paid teachers and coaches: Anyone employed by the Club to undertake teaching and coaching duties will be entitled to free swimming membership in an appropriate squad. This benefit is not transferable to another member of the individual's household.

Management Committee: The holders of the following positions; Chair, Secretary, Treasurer, IT Manager, Swimming Manager, Synchro Manager and Masters Manager will be entitled to free swimming membership in an appropriate squad. Should the holder not be in a position to take up the offer then they may transfer 50% of the associated value to another member of their immediate household.

In addition to the policy outlined, the Club also presents an annual award for "Volunteer of the Year" at its Presentation Evening in January and recognises long service and exceptional commitment to the Club by awarding Life Membership as laid out in Bye Law 9.

This policy will be reviewed annually.
